Quadsquad Project returns

Instructor, Leon Dove and assistant Dave Howard are inviting bookings for a relaunch of the popular project. Email: lacyp@lacyp.org.uk or telephone 01524 65106.

Blackpool Mobile Youth Project

After recently purchasing a former schools library van from Lancashire County Council, the vehicle is presently being converted into an exciting new mobile provision. Views were sought from young people to form the basis of the features which include: IT/Computer stations, social/meeting area, music mixing area, coffee bar and an external large screen TV. The project will link with Blackpool Boys & Girls Club to deliver a variety of diversionary activities in key areas of Blackpool.

Name Change

At a recent extraordinary meeting of the association, it was unanimously agreed to change our name to the Lancashire Association of Boys & Girls Club. An official change of name date will be announced soon.
